SAFE HARBOR STATEMENT

This presentation contains forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995, that involve risks and uncertainties. All statements other than statements of historical facts contained in this presentation, including statements regarding Citizens' (the "Company") future results of operations and financial position, including financial targets, business strategy, plans and objectives for future operations, are forward-looking statements. The Company has based these forward-looking statements largely on its current estimates of its financial results and its current expectations and projections about future events and financial trends that it believes may affect its financial condition, results of operations, business strategy, short term and long-term business operations and objectives, and financial needs as of the date of this presentation. These forward-looking statements are subject to a number of risks, uncertainties and assumptions, including those described under the heading "Risk Factors" in the Company's filings with the Securities and Exchange Commission (the "SEC"). Additionally, new risks emerge from time-to-time. It is not possible for Company management to predict all risks, nor can the Company assess the impact of all factors on its business or the extent to which any factor, or combination of factors, may cause actual results to differ materially from those contained in any forward-looking statements the Company may make. In light of these risks, uncertainties and assumptions, the forward-looking events and circumstances discussed in this presentation may not occur and actual results could differ materially and adversely from those anticipated or implied in the forward-looking statements. You should not rely upon forward-looking statements as predictions of future events. Although the Company believes that the expectations reflected in the forward-looking statements are reasonable, the Company cannot guarantee that the future results, performance or events and circumstances reflected in the forward-looking statements will be achieved or occur. Moreover, neither the Company nor any other person assumes responsibility for the accuracy and completeness of the forward-looking statements. Except as required by law, the Company undertakes no obligation to update publicly any forward-looking statements for any reason after the date of this presentation, to conform these statements to actual results or to changes in the Company's expectations.

The Company's filings with the Securities and Exchange Commission are available to you and you should read the documents the Company has filed with the SEC for more complete information about the Company. You may get these documents for free by visiting EDGAR on the SEC Web site at www.sec.gov.

USE OF NON-GAAP MEASURES

This presentation includes certain non-GAAP financial measures. While the Company believes these are useful measures for investors, they are not presented in accordance with GAAP. You should not consider non-GAAP measures in isolation or as a substitute for the most directly comparable or other financial measures calculated in accordance with GAAP. Because not all companies use identical calculations, the presentation herein of non-GAAP financial measures may not be comparable to other similarly titled measures of other companies. Please see the Appendix for important reconciliations between our non-GAAP and GAAP financial measures.

Strategic Roadmap

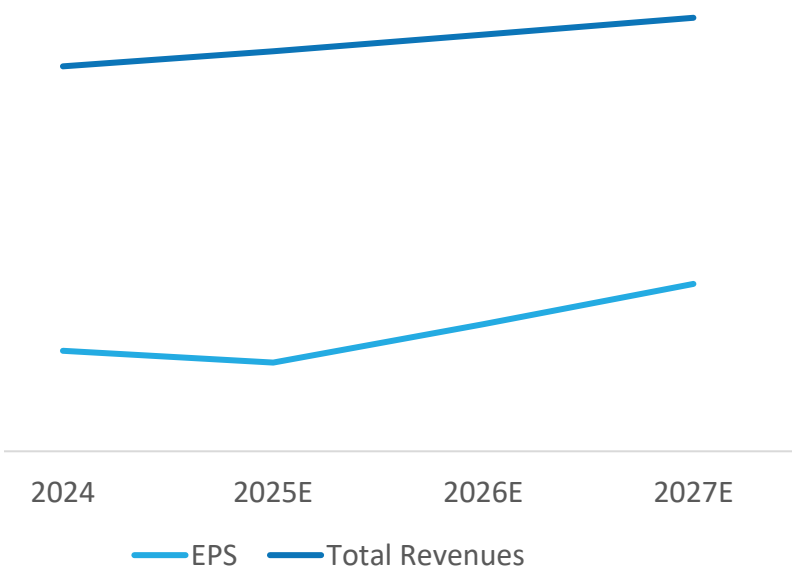

COMPANY TIMELINE

STRATEGIC ROADMAP IS ON TRACK

OUR DIFFERENTIATED BUSINESS MODEL AND STRONG EXECUTION FUEL MEANINGFUL GROWTH

Drive Revenues and EPS Growth

Jon Stenberg, President and Chief Executive Officer:

The critical steps in our strategic roadmap to accelerate growth are delivering tangible results. For eleven consecutive quarters, Citizens has driven year-over-year growth in first year premiums. The expansion of our product offerings and distribution channels led to our highest-ever total direct insurance in force of \$5.35 billion. Our producing agents have increased by 53% since the second quarter of 2024, and up 28% from 2024 year-end. The investment in our strategic roadmap is designed to deliver clear growth for both premiums and adjusted book value per share. We remain fully committed to maintaining profitable growth and capital management, as evidenced by our positive net cash from operations every year since 2004.

As we look ahead to 2026, we expect revenue and profit growth for the full year 2026. We believe we're well positioned to drive long-term value creation for both our customers and shareholders, supported by our robust global business model. Our competitive advantages in expanding niche markets globally, rapid sales force expansion, and expertise in profitable product development reinforce our positive outlook.

Citizens' stock price increased 76%, compared to the S&P 500 increase of 19%, in the 12-month period ended 9/8/25. Citizens' stock price to book value, excluding AOCI*, is .85 compared to life insurance peers of 1.11 at 9/8/25. Citizens has achieved 20 years of positive net cash from operations annually (since 2004).

*Adjusted price to book value is computed as stock price to book value that excludes accumulated other comprehensive income (AOCI).

STRATEGIC ROADMAP PRIORITIES

WE ARE DELIVERING ON OUR COMMITMENTS

2024

Our 2024 record setting results are a testament to the significant transformation of Citizens:

- Record annual insurance issuance of more than \$1.1B, up 54% y/y
- Highest-ever total direct insurance in force of over \$5.2B
- Record number of global network of producing agents, up 72% y/y
- First year sales have increased for nine consecutive quarters, a great example of a leading indicator of revenue

2025E

Priorities:

- Increase first year premium revenues
- Clear revenue growth opportunities
- Disciplined expense and capital management and conservative balance sheet management
- Increase adjusted book value per share

Uniquely positioned for growth in niche markets:

- Expansion of global network of producing agents
- Latin American life insurance and Latin American markets in U.S. are compelling
- Introduce products or major product enhancements
- Low penetration and demographics fueling demand
- Cross-selling opportunities
- Simplified sales process and training

Accelerate Profitable Growth

Our Strategic Roadmap is designed to deliver operating leverage and sustainable growth in both premiums and book value per share

EXECUTING ON SUCCESS

STRONG NEW BUSINESS PIPELINE

- + New & Innovative Products
- + Successful Selling Campaigns
- + Growing Distributor Relationships

Positive results

Direct First Year Life and A&H Premiums

First year premiums have increased for eleven consecutive quarters, a great example of a leading indicator of revenue

REVENUE GROWTH DRIVERS: OUR LIFE INSURANCE SEGMENT

STRONG EXECUTION ON OUR ADVANTAGES IN GROWING NICHE MARKETS GLOBALLY

U.S. Domestic growth drivers:

- Increased licenses to 43 underpenetrated U.S. states and Washington, DC
- New final expense products
- Added white-labeled partnerships that deliver unique products to established fast-growing distribution channels
 - Latin American markets in U.S. are our focus
- Simplified sales process and training
- Developed agent and client servicing platforms that drives efficiency
- Added established fast-growing distribution channels
- Rapid expansion of producing agents

International growth drivers:

- Strong demand for U.S. dollar-denominated whole life products internationally, continues as an important growth driver
- Streamlined sales process and training
- Increased penetration in new and existing countries served; Latin American life insurance is compelling
- Cross-selling opportunities

DRIVING SUPERIOR RESULTS

Strong client demand drove the growth of insurance in force, a 6.2% y/y increase in FY 2024

- Highest-ever total direct insurance in force of \$5.35B
- New business and in force are actively managed to maintain financial targets

Total Direct Insurance In Force

Insurance in force represents the annual premium of all policies that are active and in force at that date

EPS GROWTH DRIVER: ANTICIPATE REDUCED ENDOWMENT BENEFIT PAYMENTS AFTER 2025

The strongest headwind is anticipated in 2025 due to the sales of life insurance endowment products in early 2000's:

- Endowment policies are progressively reaching their contractual maturity date, resulting in the payment of matured endowment benefits
- Post-2025, anticipate reduced endowment benefit payments after 2025
- Citizens has set aside reserves for the scheduled maturity benefit payments, and these reserves are released in a corresponding amount as the matured endowment benefit payments

EXPLANATORY NOTES ON USE OF NON-GAAP MEASURES

In addition to the financial information prepared in conformity with accounting U.S. generally accepted accounting principles (“GAAP”), in this press release, the Company provides certain non-GAAP financial measures that we believe improves understanding of the underlying business trends. Adjustments to GAAP measures generally apply to discrete events and items not indicative to our operating trends.

¹**Adjusted Revenues** is a non-GAAP measure that excludes investment related gains (losses) from total revenues. Management believes the adjusted revenues metric is meaningful, as it allows investors to evaluate revenues generated by core business activities excluding items that are heavily impacted by investment market fluctuations.

²**Adjusted Income Before Federal Income Tax** is a non-GAAP measure that is computed as pre-tax GAAP operating income with discrete adjustments that exclude investment related gains (losses), income (loss) from ceased businesses and other special items not indicative of operating trends. Management believes this metric is meaningful, as it allows investors to evaluate underlying profitability and enhances comparability across periods, by excluding items that are heavily impacted by investment market fluctuations and other economic factors that are not indicative of operating trends.

³**Adjusted After-Tax Operating Income** is a non-GAAP measure that is derived by excluding the tax effected Adjusted Income Before Federal Income Tax adjustments described above. The provision for income tax related to adjusted after-tax income is calculated using our effective tax rate.

⁴**Adjusted Earnings Per Share of Class A Common Stock Basic and Diluted** is a non-GAAP measure that is defined as adjusted earnings for the period divided by the weighted average number of basic and fully diluted shares of common stock outstanding for the period.

⁵**Adjusted Book Value Per Class A Common Share** is a non-GAAP measure that is calculated by dividing actual Class A common stockholders’ equity, excluding AOCI, by the number of Class A common shares outstanding at the end of the period. Management believes this metric is meaningful, as it allows investors to evaluate underlying book value growth by excluding the impact of interest rate volatility.
